DAWN OF DC

WHAT HORRORS HIDE WITHIN THE NIGHTMARES OF DC'S GREATEST HEROES?

Knight Terrors takes over DC's publishing line this July and August, headlined by a terrifying four-issue series written by Joshua Williamson with art by Howard Porter and Guillem March! The story starts as Batman, Superman, and Wonder Woman discover the dead body of one of their earliest enemies at the Hall of Justice. Their investigation takes them past the land of the living, beyond the land of the dead, and into a realm of nightmares. The only way to save the world is to call for the help of an unlikely hero, Deadman.

"I love horror comics, and it's been a blast bringing that energy to Dawn of DC. *Knight Terrors* showcases the horror side of our heroes as a brand-new villain, Insomnia, confronts them with their worst nightmares," said Joshua Williamson. "It's a fun and horrific event that brings together all of the heroes and villains of DC, along with some surprises!"

Alongside the main *Knight Terrors* series, the horror-focused event will feature multiple two-issue miniseries from superstar creative teams. Each of the miniseries will feature a DC Super Hero or Super-Villain confronting their worst nightmares in a "Nightmare Realm." The Super Heroes better be careful, as whatever happens to them in the Nightmare Realm will also be reflected in the waking world.

KNIGHT TERRORS STARTS HERE!

The horror goes on. In the first fight ever between Batman and his deadliest enemy, the Joker came out on top, giddily laughing in Batman's swollen, bloody face. Now it's time for round two. Bruce just learned never to underestimate the power of a man with nothing to lose—time for Joker to learn the same. The award-winning creators behind *One Bad Day: Riddler* continue their brutal epic!

"No More Kings" continues as Stormwatch break into S.T.A.R. Labs to retrieve Malware, a living computer infected with a virus that, if weaponized, could cause global chaos and a complete meltdown of the world's technological infrastructure. One small mistake and Stormwatch could do the very thing they're trying to prevent: unleash Malware upon the world!

In the conclusion of "The Order of the Black Lamp" by Christopher Cantwell (*Briar, Iron Man*) and Javier Rodriguez (*Dead Boy Detectives, Daredevil*), Superman teams with a person he never thought he'd see again as the mysteries of the secret location the Man of Steel has been led to are revealed!

And this issue's *Batman: Black & White* tale by Collin Kelly and Jackson Lanzing and Jorge Molina takes us to a different Gotham City, where Batman is a young, arrogant monster hunter about to be humbled by a legion of bats!

In the aftermath of Superman's epic Warworld Revolution, the Man of Steel is back on Earth and stronger than he's ever been! As he and Steel join forces to remake Metropolis as a true City of Tomorrow, two of Superman's classic villains take notice...and they have plans of their own. Plus, Kal-El reunites with the Dark Knight, Jimmy Olsen, and the Justice League to find out what he missed while he was away. And Jon Kent's relief at his father being back is short-lived when he's targeted by the mysterious Red Sin, who can do the unthinkable: injure both Jon and his father! This volume collects *Superman: Son of Kal-El* #16-18, *Action Comics* #1047-1049, and *Superman: Kal-El Returns Special* #1!
